

The well-being of our guests and associates is our top priority. We are doing everything possible to keep everyone safe. Measures include increased sanitization procedures and occupancy limitations (based on availability).

---

Pool access will be limited to one entrance located at the main pool gate, through the glass doors adjacent to the arcade. Please check in at the pool desk after entering.

By order of Bexar County, all visitors over 10 years of age must wear masks covering the nose & mouth when in any public area(s). Masks are not required when seated at the pools, in the water or eating or drinking in restaurants/bars.
