

## JUST PLAIN FUN

### **GOLF HOLE-IN-ONE CONSTRUCTION CHALLENGE:**

We've added a little twist to this game – you build your course before you play! Group is divided into construction teams & are instructed to use a box of supplies at each to build one miniature golf hole. This is a project that emphasizes creativity, communication, collaboration, teamwork & of course FUN!

### **MADCAP PUTTING:**

This nutty putting activity is the perfect way to bring golfers & non-golfers together on fair playing turf. Participants will engage in a series of short putting holes - but here's the catch . . . each hole is supplied with a different putting instrument that must be used at that hole. These zany clubs may include a tennis racket, croquet mallet or cue stick. Six to nine holes of varying lengths based on group size & timeframe.

### **BUILD A BOAT & HOPE IT FLOATS CHALLENGE:**

This fun, active team activity requires your group to process a problem, strategize the solution or outcome & communicate using all the team members' input & work together to complete the project. Sound like a successful day at the office? The solution: Each team must build a boat that will support one member while paddling the length of the pool & back.

### **PIT STOP CHALLENGE:**

This fast paced challenge is a combination of mental & physical challenges that can only be solved using the talents of the entire group. This adventure, much like your business, will span great distances, present beatable obstacles & test you with mindboggling riddles. Every challenge has a winnable solution that will create a team spirit!

### **AMAZING RACE CHALLENGE:**

We know that all groups' participants have diverse interests & abilities so finding the right teambuilding event can be its own challenge. This event takes into consideration all these diversities & we guarantee your group will be talking about it long after the event ends. The activity will not be divulged, but the clue will indicate whether it is a physical or mental challenge. Each team must strategize how to get to each location, how to deploy their team to accomplish all the activity stations, find all of the scavenger hunt items & complete their mental challenge sheets. Did we mention there is time limit? All aspects of this event are scored to ultimately lead to a final score for each team.

### **PHOTO SCAVENGER HUNT:**

Each team will be issued a digital camera & a limit on the number of photos taken during the scavenger hunt. Clues will lead to destinations in & around La Canterera. Each group must take a photo of their team at that location. Creativity & team spirit are taken into consideration!

### **WIN IT IN A MINUTE:**

In this fast paced event, teams will compete in seemingly easy yet adrenaline pumping challenges that take a minute or less to accomplish. Challenges include: Nose Dive, Velcro Head, Suck it Up, A Bit Dicey, Caddy Stack, Hangnails, In Your Face, Pantyhose, Boomerang, Rapidfire.

### **ARCHERY TAG:**

What is Archery Tag? It is a unique sport that combines elements of dodgeball or other combat-type games with the timeless skills of archery. Players take aim at each other with our non-lethal arrows to eliminate opposing team members. Our Archery Tag® 5-Spot Knock-Out Target adds an exciting dimension to game play. Can be played indoors or out so a great year round activity!

### **FUN RUN:**

Get out and take advantage of our Hill Country Hills with our La Canterera Fun Run. We have several course options to best fit your group's needs. Our fun runs include a race day coordinator, time clock, water stations and music. Let us get a fun run scheduled for you!

### **BAR STYLE TRIVIA:**

Test your knowledge in our Bar style trivia. Teams will work together to answer questions from different topics with increased levels of difficulty. Are you up for the trivia challenge?

## CUSTOMIZED KIDS & FAMILY EVENTS

### **LAWN GAME CHALLENGE:**

Set up lawn games, break into teams & let the fun begin!

## COMMUNITY

### **BUILD A BIKE:**

A healthy dose of competition that gives back to the community... Be the first to get all the parts needed to successfully build a bike. Once bikes are built they are donated to a local San Antonio children's organization.

### **LEGO COMPETITION:**

Lego isn't just about fun & games...working with Lego helps enhance creative & critical thinking skills while getting to act like a kid again. For this team building exercise, teams will have to work together, while separated to successfully build the Lego kits provided while competing with the other teams. This is a great activity that challenges participants & also gives back to the community. Lego's will be donated to a Non-Profit Organization here in San Antonio.
