SPRING IS IN  
FULL SWING

A Letter from the General Manager

As we step into March, we are greeted with the promise of Spring and the celebration of International Women’s Day. It is a time for rejuvenation and reflection, honoring the achievements of women worldwide.

At La Cantera, March is for Spring Break and a fun-filled calendar of events. From Cocktail Making, Sunrise Yoga, Painting & Rose, to the always popular Zoomagination, we are sure to keep you engaged and entertained during your stay this month.

Spring Break offers a chance to recharge, whether you are planning an adventurous getaway, a relaxing staycation, or simply enjoying the blossoming beauty of nature, this break serves as a rejuvenating pause to recharge and reconnect with what truly matters.

Additionally, March 8th marks International Women’s Day, a great occasion to honor the remarkable contributions of women across generations and cultures. At La Cantera Resort & Spa, we take this special day to celebrate our female associates; their passion, and dedication to excellence inspires us all to strive for greatness and to create a more inclusive and equitable workplace.

As the first female General Manager at La Cantera, I feel honored and grateful for the opportunity to pave the way to many more to follow.

Wishing you all an amazing March.

With Love,  
Camila Frederico
